Hornbæk round basin details:

The Hornbæk wash basin is a Danish design by Copenhagen Bath. It is available in four variants, comes in matte white Acovi composite and can be ordered in other colors. The basin is designed in soft shapes and can be ordered in 40x40cm square, 60x40cm square and 60x40cm oval. Acovi is super easy to clean and maintain. For table mounting, a hole size of 65mm is recommended in the countertop.
