<b>Weight:</b>	220kg net

### Muschel bathtub details:

Muschel bathtub, designed for Copenhagen Bath by award winning designer Mikal Harrsen, is inspired by the shapes of nature (Muschel is german for mussel). With the organic asymmetrical design it stands out from conventional bathroom furnitures and becomes more than just a good design, it is a piece of art exhibited in your bathroom.

Please note that there may be a tolerance of  $\pm 5$ mm as all products are hand sanded.
