Sandfjord is a wash basin series with either towel holder or a big soft-close drawer. Straight edges and sharp corners gives this series a very clean design which is the hallmark of Scandinavian design. The basin is made of matte solid Acovi® composite which is ideal for bathrooms, since it is completely pore-free, and is extremely easy to maintain. The basin can be made as bespoke, so if you need a different size, or even another design, don't hesitate to contact us.
