SKU: 30020221

**Väri:** Mattavalkoinen  
**Koko K/P/S:** 70cm / 140cm / 3.4cm  
**Weight:** 17kg netto

## Fanø 140 peili tiedot:

LED Mirror with matte white frame and touch function. The light has colour regulation between Kelvin 3200 – 6000. The integrated demister pad heats the mirror to a few degrees above room temperature within 2-3 minutes to prevent the mirror from misting in even the steamiest of bathrooms.
